Proposed View of Sakshi Hospital
Medical & Research Center

Hon'ble Shri Digvijay Singh Ji
(Former Chief Minister of Madhya Pradesh)
Inaugrated SITM City Office

Hon'ble Shri Jyotiraditya Scindia Ji
(Union Minister of State - Ministry of Power)
at "Bhoomi Pooja" of Sakshi Hospital

Hon'ble Shri K.L. Agrawal Ji
(General Admin., Namada Valley Devel. & Aviation Minister)
at "Garba Dandiya Raas 2012"

Hon'ble Shri R.D. Goyal Ji
(Director of Projects at GAIL)
at "Garba Dandiya Raas 2012"

Hon'ble Captain Sumer Singh Ji Garha
(President - Zila Panchayat, Guna)
at "Garba Dandiya Raas 2012"

Hon'ble Shri Rajendra Saluja Ji
(MLA of Guna)
at "Garba Dandiya Raas 2012"

Hon'ble Shri Sandeep Yadav Ji
(District Magistrate of Guna)
at "Garba Dandiya Raas 2012"

International Comedian Sunil Pal
(Winner of Laughter Challenge 2005)
at "Hasya Kavi Sammelan"

SITM CAMPUS at Myana

About SITM

The institute was established in 2012 by the Prem Nagar Group who are pioneer educationist with an enterprising belief that continuous pursuit of knowledge is the sole path to success.

SITM is one of the premier engineering institute providing eco-friendly campus, spacious A.C. classrooms, modern teaching (audio-visual) aids, air conditioned computer labs with Hi-speed optical Fiber connectivity, well stocked library, well equipped labs and workshops, seminar halls with multimedia facilities well furnished auditorium, network college administration 24 hrs. ATM counter (Union Bank) in the campus. Additional other facilities viz canteen, college store, play grounds, yoga and cultural center, separate and fully secured hostels for boys and girls, transportation and gymnasium facilities. Dedicated and dynamic faculty with the high student ratio capable of giving best personal attention to every student. Modus operandi of teaching-learning process is reinforced with quality improvement programs like visiting faculty and expert from industry, extempore seminar, group discussion, partnership with leading industries training and visits, weekly assignments and test with progress report to parent and parent meeting. Communication and work presentation skills development by the specially trained resource parson and in house personality development programs for confidence building and self esteem.

The Institute is approved by All India Council for Technical Education (AICTE), Government of Madhya Pradesh and Affiliated to Rajiv Gandhi Prodyogiki Vishwavidyalaya (RGPV), Bhopal (M.P.). With large group and huge infrastructure a nursing college and medical college is also proposed to project in same campus. Sakshi Hospital and Medical research centre is also being establish in the SITM premises with all advanced Medical and medicinal facilities.

COURSES OFFERED, SANCTIONED SEATS & ELIGIBILITY

UNDER GRADUATE- FOUR YEARS BACHELOR ENGINEERING (BE) DEGREE COURSES

Civil Engineering	60 Seats
Mechanical Engineering	60 Seats
Electrical Engineering	60 Seats
Electronics & Communication Engineering	60 Seats
Computer Science Engineering	60 Seats

ELIGIBILITY: 10 + 2 passed with PCM group having > 45% marks/get through MP PET/AIEEE.

LIBRARY & LABS

The Library: A well furnished library we have with about 15,000 volumes of technical text books of different titles along with thousands of reference and other kind of books. Our library has a special collection of study materials, manuals, etc. prepared by the faculties covering most of the subjects in tune with academic needs. The library is also well stocked with international and national journal periodicals and non- technical books giving special attention to career building support. Literatures and digital library competitive engineering examinations such TOFEL, GRE, and GMAT, GAT, CAT etc. are also provided.

The Computer Lab: The Department of Computer Science has well furnished computer labs with five LAN centers and one UNIX center that together accommodate 1200 Dual core and Core Dual system at 1:1 ratio. The computer labs have licensed software such as windows advanced server-2008, windows XP service pack 3, C, C++, VB.net, LINUX 5.0, MS Office 2007, JAVA 1.5, Oracle 8.1 etc. and all the system are connected with 2MBPS internet speed for our students use.

EEE Lab: The Department of EEE, has well developed Electro Mechanics labs, Prime Movers and Pumps lab, Control Systems lab, Power Electronics lab and Measurements lab to Meet the student requirement. The Department also has simulation lab with Matlab having tool boxes like Simulink Control system; Power Supply, Fuzzy logic neural network, Block Set with PSPICE.

ECE Lab: The Department of ECE, besides having all the well equipped labs as required by the R.G.P.V. also has developed very specialized labs in the areas of Electronic Computer Aided design with software PSPICES, MS Windows and OS and VLSI lab having VHDL Modeling and Synthesis Matlab.

Chemistry Lab: The Engineering Chemistry is introduced for all the branches of engineering by R.G.P.V. SITM has all modern sophisticated equipments in the lab for all chemistry experiments in accordance with the requirement of the University.

Physics Lab: The Physics Lab is well equipped with the practical instruments related to Optics, Electronics & Modern Physics.

English & Communication Skills Lab : The Language laboratory is equipped with state-of-the-art Multimedia Systems and language software SANACO in addition to conventional audio-visual learning aids (Digital Classes) to raise the competencies and better understanding of the subjects of the students in their communication ability. Special CDs and books are also provided on how to gain mastery over the various aspects of the English Language like Grammar, Spelling, and Vocabulary etc. Our labs are equipped in support to the advanced technique of communication skills and personality development.

TRANSPORTATION

SITM provides transportation from every corners of the city and nearby places for both the students and faculties. The transportation incharge takes all care for punctuality and safety.

EXTRA CURRICULAR ACTIVITIES & INDUSTRIAL TOURS

SITM provides transportation from every corners of the city and nearby places for both the students and faculties. The transportation incharge takes all care for punctuality and safety. SITM provides transportation from every corners of the city and nearby places for both the students and faculties. The transportation incharge takes all care for punctuality and safety.

TRAINING & PLACEMENT CELL

SITM provides transportation from every corners of the city and nearby places for both the students and faculties. The transportation incharge takes all care for punctuality and safety. OUR STRENGTHS

- ❑ Special Attention for total Curriculum coverage, revision and remedial Teaching.
- ❑ Many advance Labs including language lab with high tech software K-VAN solution & wairs language lab and MATLAB software laboratory.
- ❑ Innovative and interactive teaching-learning methods.
- ❑ Fully computerized libraries with around with 2500 titles and 30000 number of books.
- ❑ Book Bank facility for economically weaker and needy students.
- ❑ Regular teacher-parent meetings.
- ❑ Invited guest lecture series from eminent personalities.
- ❑ Industrial visits for practical exposure.
- ❑ Incentive to meritorious students.
- ❑ Financial Aid to the students participating National Level
- ❑ Faculty feedback from the students as remedial method.
- ❑ Personality Development Programs.
- ❑ Wi-Fi Connectivity throughout the campus.
- ❑ Value education cell for all round development of the students.
- ❑ Ragging free campus.
- ❑ Excellent University Result every year.
- ❑ Excellent sports, Gymnasium and Yoga facilities available.
- ❑ Health center in campus.
- ❑ Hostel Facility with modern amenities for Girls & Boys.
- ❑ Digital Modern AC Class Rooms with latest audio visual aids of international standard & well equipped laboratories.
- ❑ Pollution free campus with lush green landscape.
- ❑ We committed semester result better than University average.
- ❑ Well Qualified (M.Tech/Ph.D) & Experienced Faculty / Guest Faculties from IITS.
- ❑ Collaboration with Corporate worlds facilitating Campus Placement, Industrial Training in European Countries.
